The UA College of Continuing Studies Annual Board of Visitor’s Scholarship Golf Tournament will be held on Friday, October 18, 2019, at the Greystone Country Club Founders Course in Hoover, Alabama. Heading into its 16th year, this year’s tournament coincides with the College’s Centennial celebration. We are planning to make this year one to remember, and we want you to be a part of it.

ABOUT THE SCHOLARSHIPS
Continuing Studies is the only college within the University that provides scholarships for online students. The BOV Scholarship Golf Tournament is key to raising funds that allow online students to achieve success in their college and career goals. Since 2004, proceeds from the tournament have created an endowment of more than $330,000, providing over $82,000 in scholarship awards to help online students obtain a degree from The University of Alabama. Last year’s event was a great success, exceeding the target goal with a total of $32,000 for our students. Your generosity continues to be a tremendous help to online students achieving success, and we thank you.

We hope to count on your support and invite you to join us in this fun-filled and worthwhile event. Portions of your donation are tax deductible.

SCHOLARSHIP RECIPIENT TESTIMONIALS
Receiving the scholarship has enabled me to concentrate more on my education and studies and less on the financial side of advancing my education. Your generosity has allowed me to be one step closer to my goal and has inspired me to help others by giving back to the community and to the University.

Matthew T., Atlanta, Georgia

By receiving this award, the opportunity to continue my education is achieved. The awarding of such scholarships is important for individuals like me, as it has allowed me to attend school while maintaining a family and a full-time career.

Brian S., Gulfport, Mississippi

I value the opportunity to continue my education and receiving a scholarship has helped me to do so. As a single parent, I am especially grateful for the support of the scholarship donors and everyone who made this possible for us; not only do I benefit from your generosity, but my children do, as well, in that they see the value others place on helping students advance their education.

Lesley R., Leesburg, Alabama

I chose to finish my degree after ten years in the National Guard and two combat deployments to Iraq. I am humbled to receive the scholarship award. Thank you for assisting in my education and for easing the financial burden on my life and family.

Cheston M., Mobile, Alabama

I am honored and profoundly grateful to receive this scholarship. It has been an amazing gift. Not only does it help me pay for my classes, it also makes me feel valued by the University, which is an enormous confidence boost.
